OF THE
BOARD OF SUPERVISORS
OF THE
COUNTY OF SONOMA, STATE OF CALIFORNIA
HONORING LATINO SERVICE PROVIDERS FOR OVER
TWENTY FIVE YEARS OF COMMUNITY SERVICE

Whereas, co-founded by Angelo Casul, Wanda Tapia, Linda Garcia, along with other community leaders, Latino Service Providers has brought together over one thousand individuals from neighborhood groups, schools, public and private health, social services, housing, immigration and naturalization agencies, behavioral health providers, business, criminal justice partners and government entities at all levels; and

Whereas, Latino Service Providers has been a trusted organization for over twenty five years facilitating the sharing of information with the intention of reducing disparities, empowering people, and enriching the quality of life with information sharing on its website, newsletter and monthly meetings; and

Whereas, Latino Service Providers' impact on educating the community about access to mental health prevention and early intervention services within the Latino community has led Latino Service Providers to become a 501c3 non-profit organization; and

Whereas, Latino Service Providers is currently implementing a program seeking the next generation of mid to high level professionals for the Sonoma County Behavioral Health Department to fill the need for bilingual/bicultural staff.

Now, Therefore, Be It Resolved, that the Board of Supervisors of the County of Sonoma thanks and congratulates Latino Service Providers for twenty five years of exemplary and outstanding service to the Sonoma County community.
